Tools

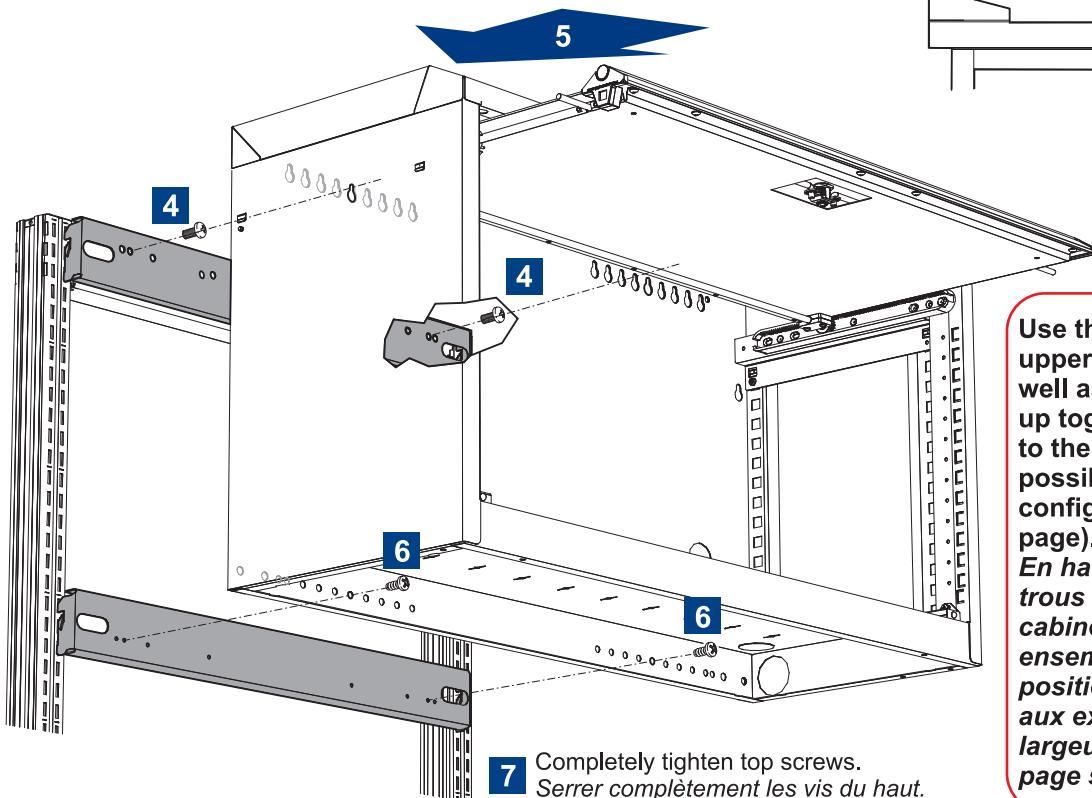

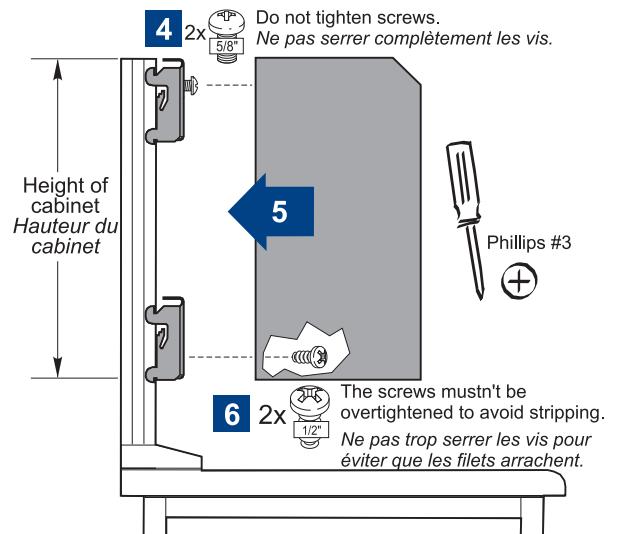

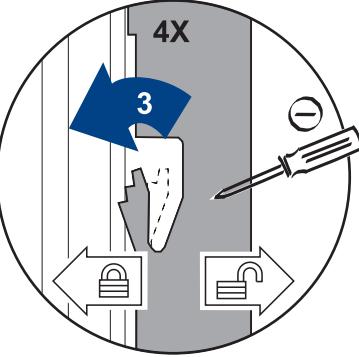

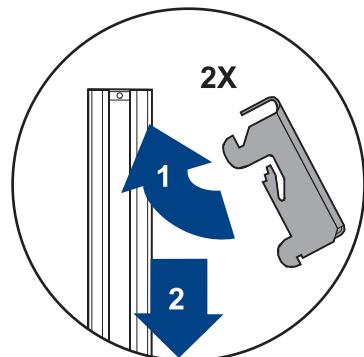

Phillips #3

Outils requis

Assembly

Use the holes on both the upper and lower bracket, as well as on the cabinet that line up together and are as close to the edge of the cabinet as possible (as per the configurations on the next page).

En haut et en bas, utiliser les trous sur les fixations et sur le cabinet qui sont alignés ensemble et qui sont positionnés le plus possible aux extrémités du cabinet en largeur (selon configurations page suivante).
